

## Junior Academy

Far Post's **Junior Academy** is an indoor program that runs throughout the fall, winter, and spring. **Boys and girls ages 10-14** are welcome to enroll, and sessions meet for one hour per week for six weeks. Our **Junior Academy** is designed to focus attention solely on developing the goal scoring skill and mentality of the players that participate.

This program takes training to another level and challenges players to a higher degree. Many people believe that "goal scorers are born." The program challenges these beliefs; it also challenges the players to look at themselves differently. Players will learn to believe in their goal scoring capabilities more while at the same time be more capable in the critical skills need to score goals.
