

FAR POST SOCCER CLUB

Juniors Program

Far Post Juniors is a fun-packed soccer program for young children! The primary goal of the program is for the participating children to have fun! Our secondary goal is for the children to be introduced to the world's most popular team sport, soccer! Far Post ensures that our coaches have the right personality, demeanor and overall understanding of how to teach soccer to children between the ages of 4 and 6. These groups are typically co-ed. Todd Kingsbury (also known as Coach Todd) will be the primary trainer. Our staff has developed a series of fun, thematic games designed to teach the children the very basics of soccer. Time is used to teach the children soccer in a fun-filled, safe and constructive environment. Typically, the hour is made up of some fun games with 10-15 minutes of small sided games. Every participant receives a Far Post Juniors Soccer t-shirt at the first class and "surprises" such as soccer stickers or patches at the end of each session. Far Post Juniors is a "must" for the young athlete!
