2nd Annual Calcutta & 3rd Annual Online Basket Auction

Far Post wants to let everyone know that we have set the date for our annual Calcutta and Online Basket Auction for **Saturday, March 6th from 6-10pm**. The event will be held at The Soccer Center in Essex Junction in the upstairs conference room. This is our second annual Calcutta and third annual online auction. One Calcutta ticket will get you one ball in the Calcutta, a dinner for two and a fun evening for all – There will be a cash bar furnished by Halvorson's Restaurant. This is one of Far Post's major fundraising events to raise money for Far Post's scholarship and facility set up funds. The Calcutta will have various cash and other prizes with the grand prize being \$4000! Matt Crawford will return again as our very entertaining emcee. If you attended last year, it was a super event that raised nearly \$7000. Each team will be expected to sell tickets for the event – Our goal is to raise \$8500.

The Online Basket Auction is an event in which each club team will put together a theme-based basket of gifts that will be auctioned off online for people. The highest bidder will win. There will be nearly 30 items to bid on. The bidding will be closed on the night of the Calcutta where all of the baskets will be on display. Last year's items include things such as a family weekend at a lake house in Maine, a Burton snowboard, dinners at area restaurants and many more fabulous prizes. Last year we raised nearly \$3000 – Our goal is to raise \$4000 this year.

Come join us for a wonderful night for all!
